Lighthouses

First Light

God, the Reality in which we live and move and have our being. The Plan of Everything deciding the fate of both men and nations according to their willingness to see and honor the All that ever is. Apart from God all “lights” are darkness, all hope forlorn, all progress ruin.

Justice

The Fulcrum of Decision, the Balance that determines everything. The Razor Edge on which our children’s Future hangs. Our Choice (whether we choose or not). The Question that waits to know which Path we follow, which Course we steer, what Destination we reach. Our Mechanism to drive War to ground, set captives free, secure the innocent in safety, and restrain Ambition that too often seeks unmerited favor by wooing us to blunder.

Words

The Power of Everything. Living Spirits waiting to be understood and used to promote Peace and Prosperity, Progress and Purpose. Fuel for Faith-in-Action. Tools to Build a better world when honored by us all. Our Pathway to Agreement.

Love

Our Compass pointing always toward Peace, never failing, never doubting, ready to give, asking nothing in return beyond the Grace of God that follows faithfully for men and nations who put Love high above all other things. The vitality of Hope.

Foreseeability

The Eye of Prudence. Our Guide to Greatness. The Knowledge of Consequence. The Key to Prosperity that unlocks the Potentials of Labor, seeing through and beyond the darkening veil of Exigence and Ignorance, showing us the Secure Path to Safe Harbor.

Knowledge

Our precious Storehouse available to All in this Modern Hour so-called. The Treasure trove of man's adventures and discovery. Building Blocks and Tools complete with Directions tested by Time, resisting Mediocrity, encouraging Industry, and making Progress possible.

Humility

Not the counterfeit that souls display as acts of Will, but the consequence of knowing none of us has yet attained Greatness apart from the Grace of God that gives to each of us the means to be and become. The oil of Gladness. The Bond of Brotherhood.

Rocky Shores

First Rock

Ignorance. The Foolishness that denies First Light. A Ship with no Compass, Chart, or clear Objective. Darkness within which every evil lies in waiting, certain to entrap all who will not learn. Leading men and nations to Ruin.

Justification

Our Tendency to think there is *any* Light in Darkness, that Truth is relative, that God is dead and We can "make it" on our own, forging ahead, determined to buck the tide, insisting on our personal "worth" when all our lives are vapor. The Death of Love.

Preeminence

The spirit that denies Value in others, whether men or nations. The Root of Murder, Greed, and War. The motive in Aggression, the soul of Hate, our Enemy above all others.

Doubt

The Ignorance that doth so easily beset us. The Hesitance that impedes Progress. The deadly disease that undermines Faith, Hope, and even Love. It is waste and ruin. It has no Value. It is Emptiness. It is the Great Beyond where nothing is. It is the soul of Fear.

Duplicity

The darkest demon of them all. The Liar. The False Accuser. What ancient wisdom sees and youth overlooks. Stupidity imagining that Consequence cannot correct its Deceptions. It is Ignorance attempting to defeat Reality with Distortion. An uncertain trumpet not to be obeyed.

Anarchy

The greatest Woe. The enemy of Order. The mendacious fallacy enticing fools with dreams of Freedom free from Law. Chaos. Intolerable Havoc.

Autocracy

The consequence of mankind's faithless wish to have a king. A Yoke of Unbearable Burden. Usurpation of Liberty that always leads to Misery. Refusal of Responsibility. Laziness resulting in irreparable Loss with no hope of reprieve if we permit it to take Root.

Challenge

Now we choose.

YOU choose.

All life is choice.

We can seek money and its tinsel trappings and leave the poor to beg for food.

Or we can labor resolutely to navigate our Ship of State to the Safe Harbor that can only be attained by understanding where the Lighthouses are and what they are and why they're there and why they must forever remain secure from every artifice that seeks eternally to tear them down, relying on them with Everything we are or can become, and thereby avoiding the Rocky Shores that wait patiently for Fools who will not learn.

Men can know these things.

Mankind can know.

There's no longer any need for War when more are led by Principles like these, both in their personal lives and in their interactions with the Great Collective that one day will embrace Mankind with Joy, Opportunity, and the Sweetest Anticipation of launching Future Generations on the beautiful Path toward Peace.

YOU can know these things.

YOU can teach these things to others.

YOU can raise the hue and cry through every town and hamlet, at every fireside, in the hearts of the Lost and Dying, in the Halls of Government where these things must be known and honored at the soonest possible Moment.

Every man can do this!

Time is not our friend. Our Ship of State is drifting ever nearer to the Rocky Shores.

We need a Course Correction NOW !

How may American Justice Foundation gain more adherents willing to roll up their sleeves, open their pocketbooks, and work together to promote Peace on Earth by lifting the Lamp of Justice and the Knowledge of God?

What will YOU do?

Respectfully yours,

American Justice Foundation®
