Set Sail with US!

Still tied to the dock?

Still waiting for someone *else* to untie you from your moorings and take you to a better place where Justice is free and Peace secure for you and those you love?

Still waiting for a miracle to save us from greedy politicians and lawyers?

Sail with US, the American Justice Foundation®.

We know what you want.

You want Prosperity.

You want Peace.

You want the Blessings of Liberty you were promised by the Founders of this great land, promises stolen from you by “big money” and “the media” that promote moral values you do not believe in, leading your nation away from the sacred principles you hold dear.

We ALL want the Blessings of Liberty.

We ALL want the Promise of Better Days Ahead.

Remaining tied to the dock, however, will not get you any of those things you desire.

Sail with US.

We promote Justice Education that will FIX what’s broken in our land!

YOU will hold the keys to the courthouse *without paying a lawyer to go fight for you.*

YOU will know how to fight with the same tools and weapons lawyers use.

Imagine being able to force someone to answer your questions under oath *or that person goes to jail until the questions are answered.*

Imagine having the judge approve what you’re doing by signing Court Orders that get you the Justice you deserve.

There’s no other way to get Justice.

You do understand that, don’t you?

The Courts are the POWER OF THE PEOPLE, and all it takes to use them is to learn a small handful of rules then apply common-sense tactics and refuse to give up without victory.
